A Congregational Survey is being conducted of members and friends of UUSS asking them to help evaluate the ministry of the congregation. You may have already received your survey by email or in the mail. For the next several Sundays there will be a table on the patio where you can turn in completed surveys or pick up a

blank one if you have not already received yours. It takes about 20 minutes to complete and your feedback is important. Thank you for participating.

A Brief Questionnaire: The Caring Committee is compiling a list of people who can provide minimal assistance to UUSS members and friends in need. Please stop at the table on the patio or in the lobby for more information.

Voluntary Simplicity is a seven-session course which addresses the distractions of modern society that keep us from living intentionally. Offered through Green Sanctuary, this course will be offered at UUSS this summer. A listing of discussion topics is available on the patio today before and after services. Registration is required which includes a book to be used in the discussion. Contacts Kate Mullinger, kmullinger@earthlink.net..

Are you interested in learning to sing part harmonies from our hymnals - or joining in with other amateur musicians - for your own pleasure during the summer? We tried something over a year ago and it was great fun. If you have an interest in singing-, humming-, or playing-along, please contact Judy Lane .
