Save the Date: June 29th following the 10 o'clock service, Green Sanctuary presents Solar SUNDAY, a demonstration (and tastes!) of solar cookers... met the chefs, learn the secrets and even get some hints on constructing your own solar cooker. Thanks to all the many hard workers who gave of their time, talents, and support in helping with our Rummage Sale! Your work was much appreciated and we could not have done it without you. Certainly we had some fun and we got the job done. Wow! Thank You Everyone! – Judy & Arnie
