

The Unitarian Universalist Society of Sacramento, California

Religious Education Mission Statement

The mission of our program is to support and guide our children and youth in the study and experience of our Unitarian Universalist (UU) faith tradition and to promote a liberal religious community for all ages.

We promote spiritual growth by learning together what it means to be fair, compassionate, accepting, curious, responsible, peaceful and respectful of all living things.

We build community in weekly religious education classes, worship services, and special church events and activities.

Our committed volunteers and professional staff provide leadership to ensure an environment that is safe, respectful, inclusive and fun.

Together as children, youth and adults we strive to grow as Unitarian Universalists, deepen our lives and be a force for healing in the world.
