

NEEDS ASSESSMENT QUESTIONNAIRE
UNITARIAN UNIVERSALIST SOCIETY OF SACRAMENTO
8.7.11 ANALYSIS

The following questionnaire results show the “adjusted average” on a scale of 1-100, with 100 registering the “greatest need/highest priority”. A total of 139 questionnaires from congregation members were received and used in calculating the collective adjusted average. See definition of “adjusted average” in attached UUMPF Survey Results Interpreter.
